

Use of the Spencerville Community Room

To our community,

At this time, Grenville's office remains closed to the public, even though we are very slowly reintegrating staff back to the workplace. As a company, we take very seriously the safety of our employees, Policyholders, Brokers and the members of our community.

By all official accounts, we are not yet out of the woods as COVID-19 continues to affect the communities around us. We must all do our part to stop any further spread of this virus; so, we've made the difficult decision to keep our Spencerville Community Room closed to the public until further notice.

Rest assured that we understand how valuable this room is to the groups that hold meetings and various other events here. We will assess the situation again at the end of 2020 and will do everything we can to welcome you back as soon as it's safe to do so.

Thank you for being part of the *Grenville* community. We hope you and your loved ones are staying safe and healthy.
